

FORERUNNER365™ is for Pastors and Church Leaders to hear a “Church Growth and Community Impact Strategy 2-3 year plan.”

Every church needs an on-going pipeline continually developing mature believers for leadership.

KAM is that pipeline. In a weekly training church ministry, believers minister to altar respondents, visitors and the church family. Then, the plan unfolds to impact the surrounding community and the world.

Pastor comments:

“Now *THIS* is a plan”

“*This IS* the Father’s heart”

“The meeting was exceptional”

“Very timely and powerful”

“Judy, you are an excellent communicator. You confirmed so many things that the Lord has been speaking to my spirit.”

“This information is beneficial to the body of Christ.”

 "And I am sure that when I come unto you I shall come in the fullness of the blessing of the Gospel of Christ."

Motto:

"I seek to excel so that I will bring honor to God who has chosen me to advance His kingdom."

MISSION365™ is a set of classes designed to equip believers with Tools of the Trade™ for The Father's Family Business™ of fishing for men and making disciples.

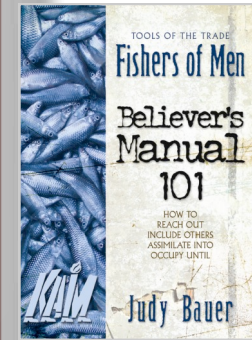

According to a recent poll by the George Barna group only 1% of believers feel that they have the gift of sharing their faith.

Why would Jesus tell *every* believer to go into all the world, preach the gospel and make disciples?

We've all had the teaching. Now, it's time to get the tools to fulfill the Great commission.

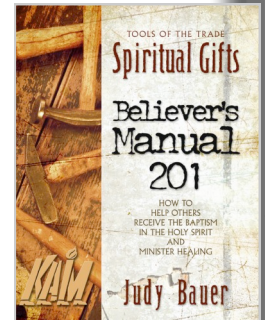

KAM has been equipping believers in over 25 countries since 1979.

Now it's your time to enter into the harvest fields. You can, if you KAM.
